

**Check Your Knowledge**

Use the following table to jot your notes and to evaluate your individual learning from **Part 1** of Byways 101. DO NOT SUBMIT THIS FORM to the National Scenic Byways Foundation or the National Scenic Byways Program. It is strictly for your personal use.

1. Before beginning Part 2, download or print this form. Write a short answer to each question. This is your “before” answer. Keep a printout in your Byways 101 file or another convenient file.
2. Continue through the Part 2 online training at [www.byways101.org](http://www.byways101.org).
3. When you have completed all five Learning Objectives in Part 2, download or print the “Chart Your Progress” form and fill in the “After Answer” column. Compare your answers. See if your knowledge and understanding has increased, or where you may need to learn more.

| INTRINSIC QUALITIES                                                                     | Before Answer |
|-----------------------------------------------------------------------------------------|---------------|
| What is an intrinsic quality?                                                           |               |
| What are the six intrinsic qualities as established by the NSBP <i>Interim Policy</i> ? |               |
| BYWAY STORY                                                                             |               |
| What is a byway story?                                                                  |               |
| How does the byway story support the visitor's experience?                              |               |
| Why is it important to integrate the “every byway has a tribal story” philosophy?       |               |
| How can the byway story serve as an economic development tool?                          |               |
| What are some methods used to tell the byway story?                                     |               |
| What are some ways to identify a potential byway story?                                 |               |

| <b>INVENTORY AND ASSESSMENT</b>                                                                                                |  |
|--------------------------------------------------------------------------------------------------------------------------------|--|
| What is the purpose of the byway inventory?                                                                                    |  |
| What is the purpose of the byway assessment?                                                                                   |  |
| What important tools and resources will support the inventory process?                                                         |  |
| What important things should be considered when inventorying and assessing the intrinsic qualities and resources of your road? |  |
| <b>BYWAY CORRIDOR</b>                                                                                                          |  |
| What should be considered when determining the length of the corridor?                                                         |  |
| What should be considered when determining the width of the corridor?                                                          |  |
